Grade Levels

LE = Lower Elementary (K-2)

UE = Upper Elementary (3-5)

MS = Middle School (6-8)

HS = High School (9-12)

(KO) = K2 Option proved (K2 Options provide alternate, more concrete approaches to illustrate concepts for kindergarten through second-grade levels

* Grade levels indicated in the activity were determined by the results of the national field test. Based upon the individual educator's assessment of student's understanding, activities may be adapted for the span of grade levels referenced in this chart.
